

Maths Learning Journey Map – Year 12 Maths A-level

SKILLS DEVELOPED

Year 12 Top Tips	
Tip 1	Read exam questions twice before answering.
Tip 2	Presentation is key!
Tip 3	Do not rush your work.
Tip 4	Practice exam questions as much as possible.
Tip 5	Redo the calculation to make sure you are correct!

Year 13
 ★★★★★
 Move on to college
 ★★★★★
 Apprenticeships
 ★★★★★

Summer term:
Miss McLaughlin
 Constant acceleration
 Forces and motion
 Variable acceleration
 Exam questions

Miss O'Neal
 Data representation
 Correlation
 Probability
 Statistical distributions
 Hypothesis testing
 Exam questions

Spring term:
Miss McLaughlin:
 Differentiation
 Integration
 Trig identities and equations
 Exam questions
 Mechanics modelling
 Constant acceleration

Miss O'Neal
 Algebraic methods
 Circles
 Trig identities and equations
 Exam questions
 Data collection
 Measures/location/spread
 Representations of data

Autumn term:
Miss McLaughlin
 Trigonometric ratios
 Binomial expansion
 Exponentials and logs
 Vectors
 Differentiation
 Exam questions
 December PPE

Miss O'Neal:
 Algebraic expressions
 Quadratics
 Straight line graphs
 Equations and inequalities
 Graphs and transformations
 Exam questions
 December PPE
