Objective, Scope and Principles

This Code of Conduct is designed to give clear guidance on the standards of behaviour all school employees are expected to observe. School employees are role models and are in a unique position of influence and must adhere to behaviour that sets a good example to all the students within the school. As a member of a school community, each employee has an individual responsibility to maintain their reputation and the reputation of the school, whether inside or outside working hours.

This Code of Conduct applies to all employees, and volunteers of the school. This Code of Conduct does not form part of any employees' contract of employment. There is an expectation that contracted staff employed on the school site adhere to these conduct standards with disciplinary responsibility remaining with the employer. All staff should also expect support from the school should they find themselves affected by unacceptable student behaviour.

In addition to this Code of Conduct, all employees engaged to work under Teachers' Terms and Conditions of Employment have a statutory obligation to adhere to the 'Teachers' Standards 2012' and in relation to this policy, Part 2 of the Teachers' Standards - Personal and Professional Conduct.

1. Setting an Example

- 1.1 All staff who work in schools set examples of behaviour and conduct which can be copied by students. Staff must therefore for example avoid using inappropriate or offensive language at all times.
- 1.2 All staff must, therefore, demonstrate high standards of conduct in order to encourage our pupils/students to do the same.
- 1.3 All staff must also avoid putting themselves at risk of allegations of abusive or unprofessional conduct.
- 1.4 This Code helps all staff to understand what behaviour is and is not acceptable, regard should also be given to the disciplinary rules set out in the schools' Disciplinary Policy and Procedure.
- 1.5 All staff are expected to familiarise themselves and comply with all school policies and procedures.
- 1.6 All staff must conduct themselves professionally and personally in a way that positively supports fundamental British values including democracy, the rule of law, individual liberty, equality, mutual respect and tolerance of those with different faith and beliefs. .
- 1.7 All staff must ensure that they do not express their personal political or religious views with students.

2. Safeguarding Students

- 2.1 Staff have a duty to safeguard students from physical abuse, sexual abuse, emotional abuse and neglect
- 2.2 The duty to safeguard students includes the duty to report concerns about a student or colleague to the school's Designated Safeguarding Lead (DSL) for Child Protection. Staff can alert any concerns through the DSL email DSP@marlborough.herts.sch.uk
- 2.3 The school's DSL is James Griggs Assistant Headteacher. The Deputy DSL's are Wendy Aylward Intervention Inclusion Officer, Myrian Pounnas Director of Learning and transition Year 7 and Louise Bullock Intervention Coordinator.

- 2.4 Staff are provided with personal copies of the school's Child Protection Policy and Whistleblowing Procedure and staff must be familiar with these documents.
- 2.5 Staff should treat children with respect and dignity and must not seriously demean or undermine students, their parents or carers, or colleagues.
- 2.6 Staff should not demonstrate behaviours that may be perceived as sarcasm, making jokes at the expense of students, embarrassing or humiliating students, discriminating against or favouring students. Staff should never shout directly at individual students as a means of managing behaviour.
- 2.7 Staff must take reasonable care of students under their supervision with the aim of ensuring their safety and welfare.

3. Relationships with students

- 3.1 Staff must declare any family relationships that they have with students. Staff must also declare any professional relationships with students outside of school which may include coaching through a sports club or tutoring privately. Staff should not assume that the school are aware of any such connections. A declaration form may be found in appendix 1 of this document.
- 3.2 Relationships with students must be professional at all times. Inappropriate relationships with students (physical, emotional or sexual) are not permitted and may lead to a criminal conviction and disciplinary action being taken.
- 3.3 Contact with students must be via school authorised mechanisms. At no time should personal telephone numbers, email addresses or communication routes via personal accounts on social media platforms be used to communicate with students.
- 3.4 If contacted by a student by an inappropriate route, staff should report the contact to the Headteacher immediately. See 7.7 below.

4. Student Development

- 4.1 Staff must comply with school policies and procedures that support the well-being and development of students.
- 4.2 Staff must co-operate and collaborate with colleagues and with external agencies where necessary to support the development of students.
- 4.3 Staff must follow reasonable instructions that support the development of students.

5. Honesty and Integrity

- 5.1 Staff must maintain high standards of honesty and integrity in their work. This includes the handling and claiming of money and the use of school property and facilities.
- 5.2 All staff must comply with the Bribery Act 2010. A person may be guilty of an offence of bribery under this act if they offer, promise or give financial advantage or other advantage to someone; or if they request, agree or accept, or receive a bribe from another person. If you believe that a person has failed to comply with the Bribery Act, you should refer to the school's Whistle Blowing Policy and Procedure.

5.3 Gifts from suppliers or associates of the school must be declared to the Headteacher, with the exception of “one off” token gifts from students or parents that are under £25 in value. Personal gifts from individual members of staff to students are inappropriate and could be misinterpreted and may lead to disciplinary action, if you are in any doubt about this please speak to the Head Teacher. A record will be kept of all gifts received.

6. Conduct outside of Work

6.1 Staff must not engage in conduct outside work which could seriously damage the reputation and standing of the school or the employee’s own reputation or the reputation of other members of the school community.

6.2 In particular, criminal offences that involve violence or possession or use of illegal drugs or sexual misconduct are likely to be regarded as unacceptable.

6.3 Staff may undertake work outside school, either paid or voluntary, provided that it does not conflict with the interests of the school nor be to a level which may contravene the working time regulations or affect an individual’s work performance in the school. Any work undertaken with another employer including exam boards must not be conducted in school contracted time.

7. E-Safety and Internet Use

7.1 Staff must exercise caution when using information technology and be aware of the risks to themselves and others. Regard should be given to the school’s Social Media and Online Activity and ICT Acceptable Use policies at all times both inside and outside of work.

7.2 Staff must not engage in inappropriate use of social network sites which may bring themselves, the school, school community or employer into disrepute. Staff should ensure that they adopt suitably high security settings on any personal profiles they may have.

7.3 Staff should exercise caution in their use of all social media or any other web based presence that they may have, including written content, videos or photographs, and views expressed either directly or by ‘liking’ certain pages or posts established by others. This may also include the use of dating websites where staff could encounter students either with their own profile or acting covertly.

7.4 Contact with students should only be made via the use of school email accounts or telephone equipment when appropriate.

7.5 Photographs/stills or video footage of students should only be taken using school equipment, for purposes authorised by the school. Any such use should always be transparent and only occur where parental consent has been given. The resultant files from such recording or taking of photographs must be stored in accordance with the schools procedures on school equipment.

7.6 The school reserves the right to monitor, intercept and review, without further notice, employee activities using school IT resources and communications systems, including but not limited to social media postings and activities, to ensure that school rules are being complied with and for legitimate school purposes and the employee consents to such monitoring.

7.7 If a member of staff should find themselves compromised by poor student behaviour on social media or internet platforms staff should report to the Head Teacher and expect the school to investigate and take any appropriate action.
