	November 2011	Y
November 2013	May 2015	Y
May 2017		

Status:

Additional

Purpose:

- To enhance the learning opportunities in school through use of the internet
- To develop good practice and responsible use of the internet by staff, students, parents, governors and the wider community, so that all internet use is appropriate to school activity or students' education
- To ensure that only educational chat rooms are available in school
- To ensure that the computer system is only used for purposes agreed by the school
- To ensure that staff are aware of the duty to provide protection for students
- To ensure close monitoring of authorised use and passwords
- To respect copyright rules and other legal requirements including data protection
