

The Marlborough
Science Academy
'shaping futures'

Education & Skills Funding Agency

16- 19 Curriculum additional hours 2022-2023 Statement

The Marlborough Science Academy study entitlement is as follows:

5 hours per subject per week for A Level/AGQ

1 hour of Sport

1 hour of Careers/PSHCE/Enrichment/Next Steps

A form time provision of 1 hour minimum per week

1 hour of supervised study

A typical student will be in receipt of 666 hours a year

Additional hours funding was used to support enrichment plus which supported student mental health sessions, MOOC/future learn sessions, volunteering hours, core maths and EPQ.

This took the typical student to 706 hours
