

5th December 2022

Dear Parents/Carers

As the cold weather is now upon us, we are seeing an increase in prevalence of students wearing hoodies into school. Some students are wearing these instead of coats and others as an alternative to a jumper or blazer.

Please can I gently remind you, and the students, that hoodies are not part of the school uniform and therefore should not be worn in school.

Students should be wearing their blazers at all times and can wear a school jumper underneath. Coats should be dark in colour, not leather and with no logos.

A guide to the school uniform can be found on our website by following this link, <https://www.themarboroughscienceacademy.co.uk/parents-uniform#>

As a school we are mindful of the current economic climate and understand that coats can be expensive. If this is a problem for you, please do contact your son or daughters' form tutor in the first instance.

Thank you for your continuing support,

Kind regards

Deputy Headteacher
