

Knowledge Organiser – Year 9 Graphic Communication

Key Terms

Technical Drawing: is the act of composing drawings that visually communicate how something functions or is constructed.

Typography: Also known as Font or lettering.

Colour: One of the first elements to communicate the message.

Tone: The lightness or darkness of an object.

Line: To organize, connect, and separate information and design elements.

Experimentation and Research Task: You will need to explore technical drawing and the use of equipment, explore black designers and logo design. You will explore the use of colour, tone, typography, line, composition and imagery in Graphics.

During year 9 Graphics you will be aiming to:

- To gain an understanding of Technical drawing.
- Develop your own ideas and designs based on your research for black history month.
- Further Experiment with the digital design programme - CANVA
- Develop your understanding of the theoretical aspects of design.
