

Curriculum Implementation – Geography

Key Stage 5

Key Concepts Taught

- Managing tectonic hazards, water security, water security, coastal landscapes and management, regeneration, health, and human rights.
- Key concepts are taught through using maps, GIS, fieldwork around the school site, online research, documentaries, teach led learning and decision-making tasks.

How You Receive Feedback

- Self-assessment.
- Peer assessment.
- Formative assessment.
- Verbal feedback.

How do Lessons Link to Key Concepts

- Throughout the course we complete skills lessons embedded with content to prepare
- We teach the synoptic themes through the 'players' involved in key elements of the course

**How we get
Support with our
Lessons**

- Modelling.
- Scaffolding.
- Peer support.
- Writing frames/sentence starters.

**Retrieval Practice
Opportunities /
Supporting Ways
to Help us
Remember**

- Recall (complete the sentence using key word/blanks used as starters to link to previous lessons).
- Recollection (assimilating information from multiple lessons to complete extended writing tasks).
- Recognition (quizzes/Kahoot used frequently).

**Opportunities for
Literacy**

- New key terms written in notes every lesson.
- 'Word bank' tasks in many lessons.
- Extended writing tasks/essays set every week

**Opportunities for
Numeracy**

- Analysing data/graphs.
- Calculate mean/median/mode.
- Spearman's Rank, Chi Squared, Hudson's equation
- Using data in exam questions (referencing figures/sources).

Opportunities for Oracy

- Discussions in lessons.
- Debates on Geographical issues.
- Reading articles outload in lesson.

Opportunities for Character Education

- Respecting other people's values/opinions.

Opportunities for SMSC

- Studying other cultures around the world.
- Looking at the historical causes of underdevelopment (the impact of colonialism).
- Studying the impact of hazards and weather events, using empathy.

Opportunities for Assessing Learning

- Quizzes (Blooket, Kahoot throughout).
- Multiple choice tests.
- End of unit assessments/PPEs
- Weekly home learning essays

Inclusion and Diversity

- Across the curriculum we study many different countries and cultures and their human rights
