Funding requests : Two requests discussed, one at the MFest Site walk with Chris Paice.

Secondhand mini bus - One failed MOT and one broken down. A majority of PTA were at the Walk and it was agreed in principle.

New Goals : This request came in via email, after the last PTA meeting. Mr Packard had the

Option of a better deal if it was agreed before the next meeting. After a message out and responses from most of our members, it was agreed. **Karen** to print request up for signing by two officers.
