

Dear Parent/Carer,

RE: Parent survey

I am writing to ask you to take a few minutes to complete our parent survey. As part of this process, we are seeking the views of all members of our school community, with students also completing a survey next week.

As the new Headteacher, it is hugely important to me that I understand your views about what is working well in our school, as well as where you feel there may be opportunities for us to improve. Your experiences and perspectives are an important part of helping us shape the future direction of the school.

The survey is anonymous and should take approximately 5–10 minutes to complete.

The survey can be accessed here: [Parent survey 2026 – Fill in form](#)

The survey will close at 9am on the 25th September.

Every response will be carefully considered, and your feedback will help inform our school development plan and the priorities we set for the year ahead. The more responses we receive, the more representative and valuable the feedback will be, so I would very much encourage you to take part.

I will write to you again before the October half term to share an overview of the survey findings, together with the next steps arising from your feedback.

Thank you in advance for taking the time to share your views.

Yours faithfully,

~~C. E. Legay~~
