Dear Parents and Carers

**Re: Home School Communication Policy**

Good communication between home and school is the cornerstone of a successful partnership between school and yourselves. Clear and open lines of communication significantly contribute to the overall well-being and academic success of the students.

We understand that as parents you will sometimes want to discuss concerns that you have with a specific member of staff. In a busy school this is not always possible immediately due to the teaching and other demands on a member of staff's time, and this can sometimes be frustrating. All staff do aim to respond to queries as quickly as possible.

We have introduced a Home School Communication Policy to outline expectations from home and school when contacting for information or when a concern is involved.

This can be found on our website in the About Us/Academy Policies and Key Documents section or by following this link

<https://www.themarboroughscienceacademy.co.uk/site/data/files/policies/TMSA%20Home%20School%20Communication%20PolicyNov23.pdf>

Please do take the time to read this document if you need to contact the school.

Thank you for your support.

Best regards

Mr D Eve  
Deputy Headteacher
