

MFestival 2025

This year's festival will take place on Saturday 5th July 2025 from 2.00pm until 10.45pm and tickets are on sale now - go to www.mfestival.co.uk to secure the best prices!

MFestival is a fantastic music event for the whole community, not only giving the opportunity for some of our students to shine but also chance to see some brilliant local music acts, all while raising funds for the school.

Following feedback received after last year's event and the desire to retain the family appeal of the MFestival we have changed the ticket categories this year.

It will no longer be possible to purchase child tickets (those who are year 10 and below) unless they are part of a family ticket. We do have a great number of family tickets to choose from and these prices have been retained for the last 4 years despite significant rising costs. Families will need to enter the festival together; entry will not be given to children arriving ahead of adults.

We have introduced a Student ticket, this is for any students in Years 11, 12 & 13 or people between the ages of 16-18. Please be aware, ID will be required to gain entry to the festival with this ticket type. EduLink account will be accepted, or other official school ID system. Someone of student age can be included as a child in a family ticket, however they will then need to arrive as part of the family group.

Sponsorship is always an important part of the event, and this year, more than ever, we need support from local businesses in order to keep the rising costs under control, so if you work for a business which might be able to help out, we have options starting from £100, we would love to hear from you - please email info@mfestival.co.uk to get in touch with our volunteers.

The MFestival team will be in touch again, very soon, to look for volunteers who can help over the event weekend - the event simply cannot continue without this. If your company offers match-funding and you are able to help on the day, please, please let us know, as this could make a huge difference.

We look forward to hearing from you,

The MFestival Team
