

May 2025

Dear Parents/Carers,

I am writing to inform you about an exciting event taking place at our school on Friday 16th May 2025 as part of the Year 7 Careers programme.

We have organised a special day where several emergency services will be visiting the school. This includes representatives from the Police, Army, Ambulance Services, and the RNLI.

The primary goal of this event is to educate our students about the various career opportunities within these vital industries. By interacting with professionals from these services, students will gain insight into the important work they do within our community. Understanding these careers not only broadens their knowledge but also instils a sense of appreciation for the crucial roles these individuals play in keeping us safe. It is important for our students to be aware of the diverse career paths available to them, especially in fields that contribute significantly to society's well-being.

The presence of emergency vehicles on site during this event is intended to provide a hands-on experience for students.

If you have any questions about the significance of this day, please do not hesitate to contact me at careers@marlborough.herts.sch.uk

Thank you for your support in making this day a valuable learning experience for our Year 7 students.

Kind regards,

Mrs N Golds

Personal Development and Careers Associate Leader
