

December 2024

Dear Parent/Carer,

**Re: Year 11 Parent/Teacher Consultation – Wednesday 8<sup>th</sup> January 2025**

We will be holding our Year 11 parent/teacher consultation on **Wednesday 8<sup>th</sup> January 2025** in **Da Vinci Hall** between **3.30pm – 6.00pm**. As this is such an important time for Year 11, we have decided to make this an in-person event.

Appointments will be **available to book from 7.00pm on Thursday 12<sup>th</sup> December 2024 to 12.00pm the day of the consultation**. Each appointment will last for 5 minutes. You can book appointments by logging into your Edulink account and clicking on the Parents Evening button.

Science appointments will be led by one of your child's science teachers where you will be able to discuss all three science subjects (Biology, Chemistry and Physics).

If your child has a SEN need, Mrs N Mitchell has been added to book appointments should you have any concerns.

If you have any concerns and wish to contact the Head of Year 11 (Miss Eastwood) please email: [leastwood@marlborough.herts.sch.uk](mailto:leastwood@marlborough.herts.sch.uk)

Please remember the time slots are on a first come first serve basis however if you are unable to book a slot, please contact Ashley Skirving on [a.skirving@marlborough.herts.sch.uk](mailto:a.skirving@marlborough.herts.sch.uk) or via 01727 731322.

We look forward to seeing you there.

Mr A. Stanton  
Deputy Headteacher

## Accessing Edulink One:

EdulinkOne can be accessed through iOS and Android apps or from a website for those unable to access the apps. To access this tool, you will need to either:

1. Search for EdulinkOne (Overnetdata) from the Apple App Store or Google Play Store and install the App to a mobile device – you can have it on multiple devices if you wish.
2. Or if you do not have a device suitable for the app, visit the website at:

<https://www.edulinkone.com/#!/login?code=marlborough>

You do not need to download any specialist software apart from the Edulink App if using a mobile device. To see a guide and a short video on how to book appointments and use the EdulinkOne software, please click [here](#).
