

11th October 2023

Dear Parents/Carers,

It has been lovely to see year 9 settling back into their learning after the summer break and enjoying their new courses.

We are now at the stage when we can carry out an evaluation of all year 9 students which will enable them to celebrate the subjects they are enjoying and also provide an opportunity for them to highlight any concerns they might have.

If a student does have any concerns we will pass these onto the appropriate person to help resolve them. As a last resort this may include an adjustment to their courses, but the option for this is extremely limited due to so many of the courses being full.

Below is a link to our online questionnaire for you and your child to complete together:

[Year 9 Courses Evaluation Form](#)

We would appreciate it if you could spend some time talking through the questions and then submit your answers by **Friday 20th October** at the latest. Once we have completed this review we will be unable to look at any course adjustment requests as we know from previous experience catching up on work missed in a new subject is enormously difficult.

Yours sincerely,

Mr A Stanton
Deputy Headteacher
