

17th January 2024

Dear Parent/Carer,

Year 11 Pre Public Examinations Monday 12th February to Friday 1st March 2024

In order to provide the maximum support and preparation for the final examinations your son/daughter will be undertaking some further pre public examinations (PPE) between Monday 12th February and Friday 1st March.

Examinations in the core subjects, English, Mathematics and Science, will be held in the Sports Hall (please see the attached timetable) however there will also be some examinations in the foundation subjects and these will take place in normal lesson times.

Your son/daughter has been made aware of the PPEs and it is imperative at this stage that they are revising and making every effort to do their best in these as this is their final opportunity for a full practice prior to the actual examinations in the summer.

The PPEs will provide information about how your son/daughter is progressing and when the papers are analysed we will be able to accurately focus on areas where they still need support to ensure they meet their full potential. A copy of the revision support pack originally sent home in October is also attached to help guide students through the different methods for revision and how to make the most effective use of their revision time.

In addition, to support students with their revision for the PPE's all home learning from Monday 29th January until Friday 9th February will be revision based.

If you have not yet purchased revision guides these can be purchased via School Gateway, please see the attached order form which details the revision guides that are available to be purchased through the school.

How to pay online:

- Log onto www.schoolgateway.com
- Select: Make a Payment
- Select: Year 11 Revision Guides (and the name of the subject i.e. Year 11 Revision Guides Science)

Follow the on screen instructions to complete the payment, some subjects have more than one revision guide, please confirm which revision guide you require in the comment box e.g. foundation or higher tier. If however you have problems or would like further information on how to access School Gateway please contact the School Office on 01727 856874

There is funding available for those students who are registered or have previously been registered for free school meals, please contact Mr Griggs, I.Griggs@marlborough.herts.sch.uk for further information.

If you have any questions regarding the examinations, please ask your son/daughter's subject teachers in the first instance or email our exams team on ExamQueries@marlborough.herts.sch.uk who will be happy to help.

We want to wish every student the best of luck with their PPEs.

Yours sincerely,

Mr A Stanton
Deputy Headteacher
