Dear Parent/Carer

Although we recognise that this cannot be guaranteed, Marlborough Science Academy, aims to be a Nut-Free school. As our school currently has staff and students who suffer from serious nut allergies, we request that parents and carers do not send food to school that contains nuts.

This includes:-

- All types of nuts
- Spreads and sandwich fillings containing nuts like peanut butter and Nutella
- Cereal and chocolate bars which contain nuts
- Cakes or biscuits which contain nuts

Please check food labels if you are unsure about ingredients.

Thank you for your support.
