

## Year 13 Student Destinations September 2024

The vast majority of our students go to university after completing their A level studies.

A growing number of students access high level apprenticeships whilst others decide to join the work force.

A sample of courses and destinations are below:

|   |                                 |
|---|---------------------------------|
| University of Bath                          | Physics                         |
| University of Birmingham                    | Medicine                        |
| University of Bristol                       | Anthropology                    |
| University of Cardiff                       | Journalism                      |
| University of Durham                        | Natural Science                 |
| University of Kent                          | Biology                         |
| University of Leeds                         | International History           |
