## Mobile Phone Agreement

For you to be granted permission to bring your mobile device to school you must agree to the terms laid out within this agreement and successfully complete the online safety modules.

Where no contract exists, a confiscated phone will be returned to parents when a fully signed mobile phone agreement and the school's online safety modules are completed.

### For my own personal safety:

- I am aware that the school will look at the way I use my mobile device to keep me safe.
- I should not share my username / password or use any other students or teacher's username / password or give out any personal information about myself or others when I am communicating.
- I should tell a member of staff straight away if I see or hear any rude or inappropriate material or messages when I am online or using technology.
- I will **not charge** any of my mobile devices using the schools' facilities.
- I agree **not to contact anyone during school hours** unless given permission to do so by a member of staff.
- I will use only **my school email address** for all school-related communications.

### I will act as I expect others to act toward me:

- I will be polite and responsible when I communicate with others, I will not use, aggressive or rude language.
- I will not take, show, or post images or videos of anyone without their permission, even if they are only in the background.
- I will fully respect a member of staff's decision to not allow mobile devices to be used in a lesson.

**I know that the school has a responsibility to keep the security and upkeep of the ICT it offers me:**

- I will only use my own devices before school starts, after school or **when given clear permission by a member of staff.**
- I understand that, if I do use my own device in school, I will follow the rules set out in this document, and if I break these, I know what the sanctions will be.
- I am aware that the school will take **no responsibility** if I lose or have my mobile device stolen in school or while travelling to and from school. I know the **school accepts no responsibility for replacing lost, stolen, or damaged mobile devices.**
- I will not attempt to bypass the internet filtering systems.

**I understand that I am responsible for my actions, both in and out of school:**

- I understand that the school also has the right to take action against me if I am involved in incidents of inappropriate behaviour that are in this agreement, when I am out of school and where they involve me within the school community (e.g., online bullying, use of images or personal information).
- I understand that my actions using my device must not bring the school into disrepute and if they do, I will face sanctions.
- I understand that these rules are designed to keep me safe and if they are not followed, school sanctions will be applied, and my parent/carer will be contacted.
- I am aware that I must not take any mobile device, including 'smart watches,' into an examination venue and should I be caught with a device on me I will face disciplinary action as sanctioned by the Headteacher and Examinations Officer. As a result, the exam board may cancel my paper.
- I am aware that if I engage in personal attacks, harass another person, or post private information about another person or use mobile technology to bully / threaten other students, whether in school or out of school, I may face suspension and my actions may constitute criminal behaviour and as such the police could be informed.
- I will not browse, download, upload, forward or receive material that could be considered inappropriate, offensive, or illegal. If I accidentally come across such material, I will report it to a member of staff.
- I agree to follow Marlborough values and those of British Values whilst using mobile devices which are in my possession.

I have read and understand the attached information about appropriate use of mobile devices at The Marlborough Science Academy and I understand all aspects of this Agreement.

I give my child permission to carry mobile device/s to school and understand that my child will be responsible for ensuring that these are used appropriately and correctly while under the school's supervision, as outlined in this document. I understand that should my child use a mobile device that permits access to the internet, then the school is unable to extend its duty of care in respect of material viewed or downloaded using such a device. I also agree to support the school's sanctions should my son/daughter not follow this agreement. I am happy for the school to keep a record of my child's mobile phone number so that it can be used in an emergency and/or should there be any safeguarding concerns.

I am aware that my child should not contact me, or I contact them during school hours unless the school has granted permission to do so and that if my child is ill then contact should be made through reception, not to me directly.

I am aware of the age restrictions for social media sites, and I will support my child to manage their use of social media and digital technologies appropriately.
