

2<sup>nd</sup> November 2023

Dear Parents/Carers,

**RE: Revised PPE Timetable**

Firstly I would like to say a huge thank you to Year 11 for how they conducted themselves during yesterday's lockdown, especially as they were in the middle of their PPEs.

As the English Language PPE was disturbed by the lockdown and did not run effectively we have reorganised the last few days of the exams so that all students get the chance to take the exam properly. On Friday morning we will run the English Language PPE and move the Physical Education and Computer Science papers to Monday morning. The Music PPE will take place in the students' next Music lesson.

Attached is an updated timetable for Friday 3<sup>rd</sup> and Monday 6<sup>th</sup> November.

I appreciate having to rewrite the timetable at short notice is not ideal but we want to give all the students the best chance to achieve in their PPEs and prepare for their exams next summer.

Thank you for your continued support.

Yours sincerely,

Mr A Stanton  
Deputy Headteacher
