

GCSE Revision Guides – Year 11 2020-2021

It is recommended that students purchase the revision guides associated with the subjects that they are taking at Key Stage 4, however it is important to check with your teachers when is the best time to do this during the course and also which books you will need.

Once purchased students should show their teacher a copy of the payment confirmation from School Gateway (a screenshot on their phone/paper copy will be fine) and then collect the books during the relevant lesson time. Students **will not** be able to collect revision guides during their lunch or break times.

There is funding available for those students who are registered or have previously been registered for free school meals, please contact Mr Stanton via email for further information and we will make the relevant revision guides available to you (A.Stanton@marlborough.herts.sch.uk).
