

## The Marlborough Science Academy Mobile Technology Agreement

In order for you to be granted permission to bring your mobile device to school you must agree to the terms laid out within this agreement and successfully complete the four online safety modules.

Where no contract exists, a confiscated phone will only be returned upon completion of a lunch time detention, a fully signed mobile technology agreement and successful completion of the school's online safety modules.

### **For my own personal safety:**

- I am aware that the school will look at the way I use ICT and mobile devices within The Marlborough Science Academy and its community.
- I will not share my username / password or use any other students' or teachers' username / password or give out any personal information about myself or others when I am communicating.
- I will tell a member of staff straight away if I see or hear any rude or inappropriate material or messages when I am online or through the use of technology.
- I will **not charge** any of my mobile devices using the school's facilities.
- I agree **not to contact members of my family during school hours** unless given permission to do so by a member of staff.
- I will use only **my school email address** for all school-related communications.

### **I understand that everyone has equal rights to use ICT technology as a resource and:**

- I know that the school's ICT are needed for educational use and that I will not use them for my own personal use **unless I have permission to do so by a member of staff.**
- **I will not enter a classroom with my headphones or phone visible or use them in a lesson when a member of staff displays the red mobile phone sign and I will abide with the teachers' direction of use when the green sign has been displayed.**

### **I will act as I expect others to act toward me:**

- I will respect others' work and property and will not open, copy, remove or change any other student's files, without them knowing about it and having their permission.

- I will only use my own devices before school starts, at break or lunchtime, after school or **when given clear permission by a member of staff.**
- I understand that, if I do use my own device in school, I will follow the rules set out in this document, and if I break these I know what the sanctions will be.

- I will not attempt to bypass the internet filtering systems.
- I understand that my area on the network is for storing files related to schoolwork and that this area is subject to checks by IT staff.

**I understand that I am responsible for my actions, both in and out of school:**

- I understand that the school also has the right to take action against me if I am involved in incidents of inappropriate behaviour that are in this agreement, when I am out of school and where they involve me within the school community (e.g. online bullying, use of images or personal information).
- I understand that these rules are designed to keep me safe and if they are not followed, school sanctions will be applied, and my parent/carer will be contacted.
- I am aware that I must not take any mobile device, including 'smart watches', into an examination venue and should I be caught with a device on me I will face disciplinary action as sanctioned by the Headteacher and Examinations Officer. As a result, the exam board may cancel my paper.
- I am aware that if I engage in personal attacks, harass another person, or post private information about another person or use mobile technology to bully / threaten other students, whether in school or out of school, I may face exclusion and my actions may constitute criminal behaviour and as such the police could be informed.

I have read and understand the attached information about appropriate use of mobile devices at The Marlborough Science Academy and I understand all aspects of this Agreement.

I give my child permission to carry mobile device/s to school and understand that my child will be responsible for ensuring that these are used appropriately and correctly while under the school's supervision, as outlined in this document. I understand that should my child use a mobile device that permits access to the internet, then the school is unable to extend its duty of care in respect of material viewed or downloaded using such a device. I also agree to support the schools sanctions should my son/daughter not follow this agreement. I am happy for the school to keep a record of my child's mobile phone number so that it can be used in an emergency and/or should there be any safeguarding concerns.

I am aware that my child should not contact me or I contact them during school hours and that if my child is ill then contact should be made through reception, not to me directly.

I am aware of the age restrictions for social media sites and I will support my child to manage their use of social media and digital technologies appropriately.
