# 2:

**in the world  
for Art & Design**

---

QS World University Subject 2020 Rankings

The background image shows a modern building courtyard. In the foreground, there are several people: an older man with a white bag, a young man with long blonde hair, and a woman in a black jacket and pink pants. There are also art installations, including a large orange metal structure and a grey concrete block. In the background, there are large glass windows and a concrete wall. Two inset images are visible: one of a young man looking over his shoulder and another of a young man painting on a canvas.

# your creative future

university can give you  
access to **professional  
careers**, better prospects in  
terms of **earning potential**  
and lots of **life experience**

# Choosing a University

- Sign up to university digital activity:
  - online open days
  - webinars
  - online degree shows
- Order prospectuses, view digital versions or look at course pages.
- Compare universities using league tables.
- Follow blogs and social media accounts.
- Watch videos to get a feel for an institution.

# Choosing a Course

- Explore both familiar and new courses.
- Look carefully at the entry requirements.
- Review the teaching styles.
- Research facilities and academics.
- Look at the structure of the course
  - study abroad
  - industry placements
  - integrated masters
- Find out how competitive the course is.
