

31st January 2019

Dear Parent/Carer,

Core GCSE Examinations Support Evening - Tuesday 26th February 2019

The next few months are crucial in ensuring that your son/daughter is successful in their core GCSE exams. To provide optimum support we will be running an evening workshop event for parents/carers and students on 26th February from 6 – 8pm in Pascal Hall. There will be a short break midway through the evening during which refreshments will be available to be purchased, the proceeds of which will go to support our World Challenge students.

The workshop will cover:

- ⦿ How to use the exam past paper booklets effectively with your child and how to make revision time effective
- ⦿ What online resources are useful
- ⦿ How to prepare for your core exams and what to expect
- ⦿ Tackling questions together
- ⦿ How to avoid stress and manage revision time sensibly

Resources for revision and strategies for revising will be provided by English, Mathematics and Science specialist teachers. The evening received extremely positive feedback last year, and gave parents valuable support in seeing first-hand what their sons/daughters were preparing for.

Please can you complete and return the slip below by Friday 8th February, or email Miss S Smith: s.smith@marlborough.herts.sch.uk, to confirm that you are able to attend, also indicating how many people will be attending.

Yours sincerely,

D. Crook

M. Fitzgibbon
