

TMSA

CHARITABLE TRUST

'SHAPING FUTURES'

HOW YOU CAN HELP

There are many ways you can support your child while they are at Marlborough such as attending PTA events and signing up to our home school agreement.

PLANS FOR THE FUTURE

Refurbishment of the swimming pool and changing areas

We also would ask that every parent makes a donation to the TMSA Charitable Trust, the School's charity. We know that for some this is difficult and might not be achievable every year, but if everyone were to give just £4 a month just think what extra opportunities we could give your children.

REMEMBER:

If 1/3 of parents donated £5 a month we could purchase **new laptop trollies and laptops**.

If 2/3 of parents donated £10 a month we could **fully equip the new Post 16 study centre**.

If all parents donated £20 a month we would be able to **refurbish the swimming pool**.

THE MARLBOROUGH SCIENCE ACADEMY *'SHAPING FUTURES'*

At Marlborough we believe our students deserve a first class education that equips them to become confident, responsible and articulate young people who can succeed in their personal and professional lives.

We are committed to develop young people who, when they leave our school, are fully rounded individuals with a host of skills and experiences that equip them for the many opportunities and challenges they will face in life.

Our ethos seeks to develop a sense of self worth by offering a breadth of subjects, and a range of extra-curricular activities ensuring that every student here finds their own 'niche' and succeeds to the best of his own physical and intellectual ability. **Our Goal is to provide excellence in everything that we do and encourage students to have the confidence to seize opportunities and try new things. More importantly we want our students not to fear failure but to give everything a go!**

All of us at TMSA are passionate about providing the best facilities and a high quality learning environment for your child and I urge you to get involved and support us. It is with the continued dedication and commitment of all our staff, the support and generosity of parents, in particular the PTA that we can continue to enrich the curriculum and provide resources to assist and inspire learning. **Thank you.**

Annie Thomson
(Headteacher)

TMSA Charitable Trust (TCT) is the School's own charity set up to receive donations in a tax efficient way, helping to make your gift go further. All the monies received will be used to add value to your child's education, giving them opportunities to grow and flourish in ways that TMSA would not otherwise be able to afford.

(TCT can receive one-off donations as well as regular standing orders or direct debit).

If you are a UK taxpayer, you also need to fill out the Gift Aid form available from the school or via the website:

www.themarlbroughscienceacademy.co.uk

The Government's Gift Aid scheme allows us to reclaim tax on donations. That means that for every £1 you give to TCT, we can reclaim 25p from the Inland Revenue. All you have to do is fill in a Gift Aid declaration. This means that you confirm that you are a UK tax payer and that you are happy for us to reclaim the tax you have already paid.

The extra money we get through gift aid may not seem very much, but if everyone gives this way it all adds up and enables TCT to help even more young people fulfil their potential.

Imagine the difference that could make.
