

Virtual Taster Day

Dear Year 7 2020 Student,

I would like to welcome you to your virtual 'Taster day at Marlborough'. Today I am sending you some information about Marlborough and a task for you to complete.

- Firstly, I would like you to watch the short video presentation with Marlborough students showing you around the school site and hopefully answer some questions you may have, please click on the link/or open hyperlink below:

- Secondly, I have attached a map of the school site for you to see the buildings and what they are called.
- Thirdly, I have attached a 'This is me' worksheet, please may you complete this online and send back to me as an email to: m.pounnas@marlborough.herts.sch.uk
Or if you are able to print the worksheet and complete it by hand, then you may post this to me. The school address is:

Or you may hand deliver this through the school letter box outside of the main school reception. (Remember to put my name on the envelope)

I look forward to seeing many completed 'This is me' worksheets over the next few weeks.

I look forward to meeting you all in August.

Until then, best wishes,
