

GCSE Mathematics and AQA GCSE English remote revision workshops 2021

A kick-start to revision with our subject experts

Designed to motivate and challenge students in an engaging, focused and active learning environment, our remote revision workshops will help boost students' skills and confidence

All remote
workshops
£35.00 incl. VAT
including post-session
individual marking
and feedback

Herts for Learning has been running successful revision sessions for over five years. Our newly developed online sessions – led by highly experienced subject specialists – will focus on:

- supporting your child to feel “exam-ready”
- providing students with tried and tested exam strategies and revision techniques to develop their independent revision
- sharing high quality responses and model answers to support their learning
- giving your son/daughter the opportunity to complete a range of revision activities during the session, addressing the skills needed
- providing students with individual follow-up feedback to work submitted

Parents and carers can book places through the **HfL CPD Hub** at cpd.hertsforlearning.co.uk
For more information regarding these workshops, please contact: training@hertsforlearning.co.uk
